SHRI BALAJI
Institute of Nursing

**SHRI BALAJI INTITUTE
OF NURSING & PARAMEDICAL**

**NURSES ARE THE
HEART OF
HEALTHCARE**

PHILOSOPHY

The staffs of school of nursing believe that the general course in nursing is formal education preparation which should be based on sound educational principles.

We believe that we have responsibility to the student and to society to make provision in the program for continued development of the student as an individual and as the citizen as well as nurse.

We believe that the nursing profession is art who develop skill standard in both hospital and community. Our concept of nursing is based on the INC'S definition of the unique function of the nurse, which is to assist an individual, sick if well in the performance of those activities contributing to health or its recovery.

OBJECTIVES

- Excellence in the field of health care education
- Upholding respect for life, from the moment of conception to its natural end.
- A genuine feeling of compassion for the patients & their families as individuals.
- Striving towards promoting holistic health.
- Ensuring job opportunities to younger generation & enabling them to assume responsibility as better citizens of society.
- Providing qualified nurse to cope with advancements in medical science & technology.

CHAIRMAN, MESSAGE

Shri Balaji institute of nursing is one of the best institution started by grace of god.

Our mission is to make quality nurses and to improve nursing cares. We are committed to the nursing care achievement and maintenance of excellence in education, research to health care for the benefit of humanity. armed with the best of facilities in area of education, research & patient care with highly qualified professional. we are going to make future nurses.

I am grateful to those, who was directly or indirectly involved in establishment of the institution and expect some in near future.

DR. DEVENDRA NAIK
CHAIRMAN

"Hardships often prepare people
for an extraordinary destiny."

DIRECTOR, MESSAGE

My warm and hearty greeting to all readers. Sir William Osler said "Trained nurse is one of the greatest blessings of humanity", Best quality care is extremely important for good patient outcome and competence of nursing staff.

Therefore we provided a challenging educational programme excellence for every nursing student, while building a sense of positive self worth essential to academic and social success.

DR. NEETA NAIK

MANAGING DIRECTOR

"I attribute my success to this I never gave nor took any excuse."

DIRECTOR, MESSAGE

I am glad to see this energy, synergy and harmony here in Shri Balaji Institute of Nursing even in this Post Covid scenario. Which gives me confidence about the commitment of our Team. Through pioneering efforts, training, orientation and very cautious supervision, this college has created skilled and updated nursing professionals. To value the mission of Florence Nightingale, I welcome our students to hold the hands of care, pour the empathetic hearts, follow the sympathetic attitude and learn this nursing education of service and sacrifice. With meticulously planned trainings and sincere teachers in our institute, I believe our alumni will be on top here in home as well Overseas.

CA NITIN PATEL

DIRECTOR

"The character of the nurse is as important as the knowledge she possesses."

PRINCIPAL'S MESSAGE

Nursing is one of the most honorable and a respectable profession in modern health care but is also one of the most challenging. Yes it's not easy being a good nurse. To be great nurses, you must not only have to be very well qualified professionally but also have the right positive attitude.

There is ample of opportunities for you to grow and to be an independent individual. Today, there is tremendous demand for quality nursing not only in India but all over the world. Become a nurse and extend your services in the development of a healthy nation. Wishing you a very bright future. God Bless you

 **PRINCIPAL
VERTIKA SOLOMON**

"Be the nurse you would want as a patient."

About us

We truly believe the progress of healthcare totally depends on the quality of nursing care we have & educational preparation. The college of nursing offers a picturesque, fascinating and above all safe environment for the students to learn & discover their new selves. However, the institute felt that human services should be rendered to the people by preparing nurses to meet the demands and thus the college of nursing was established on 24/07/2010 & got affiliation from Govt. of C.G Health & Family Welfare Department, Indian Nursing Council, New Delhi & C.G State Nurses Registration Council, Raipur. The college is governed by Dr. Devendra Naik (Medical Director), CA Nitin Patel (Nursing Director) and Dr. Neeta Naik (Managing Director)

The college of nursing works in collaboration with Shri Balaji Super –Specialty Hospital (SBSH) which is a 1500 bedded (central India's biggest private hospital) modern & state of the art tertiary care centre located in the heart of Raipur, the capital city of Chhattisgarh. The hospital is easily approachable from local railway station, Bus Stand & airport. It was inaugurated on 15/02/2009.

Vision

Our vision is to provide specialized & tertiary level of health care & boost highly qualified & dedicated team of nursing practitioners & other health personnel. The nurse practitioners with other health workers is committed to provide not only quality medical care but also aim to make a healthy atmosphere for the patient to stay & experience quality nursing care in a holistic manner.

Mission

Our mission is to make quality nurses & to improve nursing care we are committed to the nursing profession, achievement & maintenance of excellence in education, research & development for the sake of humanity. Armed with the best of facilities in the area of education, research & patient care with highly qualified professionals, we are going to make efficient future nurses.

“Nurses dispense comfort, compassion, & caring without even a prescription.”
